To: All Parents/Carers,

Thursday 12th October 2017

Dear Parents & Carers,

Social Media plays an integral part of the world we live in today. As a place of education we try to embrace new technology.

Unfortunately, on occasions, this media is used to make detrimental comments about the school and sometimes for a personal attack on members of staff who have no right of reply.

Thankfully this is very rare, however, I feel it is necessary to remind parent/carers that if you have a grievance, please come and talk to us. Alternatively, we have a clear process through our Complaints Policy which can be found on the website.

Following a recent incident and after much discussion with other schools on their procedures we have decided to put a Code of Conduct together for Parents/Carers. All staff already have one in place. A copy will be given to you at the next Parent's Open Evening.

I hope that you fully appreciate that I have a duty of care to my staff as well as our children and this Code of Conduct is meant with good intentions.

Thank you for your continued cooperation.

Yours sincerely,

**Mrs T Farrelly,
Executive Headteacher.**
