Dear Parents/Carers,

It has been brought to our attention that a number of parents have been sharing videos and photos on various social media sites.

Whilst you are welcome to share any photos of your own child(ren), please ensure that these do not capture any other child. Some children may be subject to safeguarding measures and parents may not have given permission for their child's photo to be used.

Our Parent Partnership Policy states: In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting the following:

- Taking any photos or videos whilst on school premises without the consent of the school or individual concerned.

All parents had a copy of this sent home this term.

If you are aware that you have uploaded anything that features more than just your child, please remove it to help safeguard all our children.

Thank you for your support in this matter.

Yours sincerely,

Miss J Stawman
Deputy Headteacher

Did you know you can donate funds for the school via ParentPay
