Dear Parents/Carers – Years 5 & 6 only

Tuesday 21st March 2017

Recently there has been an increase in the number of children bringing a mobile phone into school and unfortunately some children have not behaved as we would expect.

We do not want to stop children having their phones on the way to and from school so we are setting some ground rules to ensure that they are not used inappropriately.

If you wish to allow your child to bring their phone to school you will be required to complete a permission form and support your child to follow the school's expectation.

Please complete the attached form and return to school, either via email office@courtwood.croydon.sch.uk or by handing into the school office.

If your child is found with a phone without permission it will be confiscated until collected by a parent.

Thank you for your support

T Farrelly
Executive Headteacher

Mobile Phone Permission Form - Year 5 & 6 only

I give permission for (child's name)to bring their mobile phone to school.

I understand that the phone will be collected in at the start of the day and returned at the end of the day.

I agree that if my child uses the phone inappropriately it may be confiscated and only returned when I (the parent) collect it.

By giving permission I accept full responsibility for any damage or loss that may occur.
